HELM COMMAND

The molded fiberglass dash with Liquid Black panels features a Ritchie® compass, Livorsi® illuminated instrumentation-domed with chrome bezels, Garmin® 547 GPS color chartplotter, digital depth sounder, illuminated waterproof accessory rocker switches, auxiliary 12V outlet, tilt wheel in leather wrapped stainless & lockable under-dash storage compartment.

PLENTIFUL COCKPIT SEATING

Pack your firends for a fun filled day on the water with plentiful cockpit seating. Dual position helm & companion seats with convertible backrests, a port lounge with integrated dive tank storage and trash container and the U-shaped aft lounge seating with storage below seat everyone with ease.

WETBAR DRY STORAGE

The color-coordinated molded wetbar with integrated sink also features dry picnicware storage and 316L safety rail. The accordion Corian countertop in two sections functions perfectly. Below is a 30-quart Igloo cooler and fire extinguisher.

Formula Boats 310 Bowrider Boat Features

If you're looking for a boat perfectly suited for making memories and having carefree fun on the water, you've found what you've been searching for in the Formula 310 Bowrider.

The Formula 310 Bowrider features a similar layout to the Formula Boat Sun Sport line, but with fresh, creative updates for boaters who want plenty of seating and entertaining space. We've also stocked the 310 BR with several sizeable storage compartments, marine-grade speakers and dimmable courtesy lighting for style and safety.

SLEEK DESIGN

The sleek design continues onboard, with shining stainless steel railing and deck cleats. All hardware consists of the same strong steel and is securely fixed with chromium-plated fasteners. Small, metallic embellishments throughout the boat offer a timeless appeal that fits with any aesthetic.

No matter the occasion — evening celebrations with friends, overnight fishing excursions, a romantic sunset cruise — you can easily create the perfect atmosphere with sophisticated dimmable LED lighting in the cockpit, which you can control via remote. For safety and convenience, additional LED courtesy lighting is fixed near the swim platform for nighttime swims and late-night gatherings.

COCKPIT

The 310 Bowrider cockpit is spacious and commanding, but without any sacrifice to usability and style. The brushed metallic and Liquid Black paneling on the dash provides the perfect backdrop for illuminated Livorsi® gauges and chrome bezels. The wheel fits securely in your hands, with eye-catching metallic accents against a burl wood finish.

The helm is furnished with individually adjustable twin command seats that provide easy access to the Raymarine Axiom Pro 9 S GPS and digital depth sounder at the dash.

ENTERTAINING FEATURES

Sipping craft beverages at sunset, anchoring at your favorite swimming hole, relaxing to music while sunning on the sun pad — whatever entertainment looks like for you, the Formula 310 Bowrider has what you need for a good time:

- **Wet bar:** Formula 310 Bowrider boats are made for entertaining. The molded wet bar with a built-in stainless steel sink and hinged Corian® countertop makes it easy to whip up your favorite meals. Choose between either a well-insulated cooler or integrated refrigerator to keep ingredients and beverages fresh all day long. Plus, no matter where you're sitting aboard the 310 BR, you're always within reach of a polished drink holder for convenience.
- **Swim platform:** Anchor and swim with ease with the extended water sport and swim platform, complete with four drink holders and under-mount swim seats.
- **Sun pad:** Easily convert the stowable table at the aft lounge into a roomy sun pad, where you can relax and soak up the sun while listening to music from the two nearby speakers.

- Stereo: The remote control dash-mounted stereo connects to eight marine-grade speakers with stainless steel grilles and tweeters, so you can listen to the radio or stream your favorite playlist with perfect audio from the iPod/MP3 player port at the helm.

SEATING AND STORAGE

The 310 Bowrider has plenty of cushioned seating and storage compartments, so you can bring everything — and everyone — you need for a fun day on the water.

Enjoy comfortable wraparound bow seating that transforms into two forward-facing seats to rest against the cockpit sole. Play games or dine at the table and stash your drinks in the built-in cooler under the seat for easy access.

Don't forget your recreational gear! Smooth fiberglass storage compartments are located throughout the vessel, including:

- A large transom compartment with a side locker for fenders and gear.
- In-floor wakeboard or ski storage.
- Dedicated lockers for filler cushions.
- Dedicated dive tank storage beneath the portside lounge.

SPACIOUS HEAD COMPARTMENT

We designed the 310 Bowrider to spend all day on the water, which means a spacious, stylish and practical head compartment.

Enter the enclosed compartment through a molded fiberglass door, where you'll see the chic American Cherry woodgrain finish and a sliding privacy window for ventilation. The sturdy Corian® countertop houses a polished stainless sink with two integrated drink holders. We equipped the head unit with VacuFlush® for maximum efficiency, and the heat exchanger and handheld showerhead will help you stay clean and comfortable all journey long.
