LOA: 34' (10.36m)
LWL: 29' (8.84m)
Heads: 1

Fuel Type: Diesel
Hull Material: Fiberglass

Displacement: 7750 Fuel Tank: 13 gal
(49.21 liters)
Fresh Water: 20 gal (75.71 liters)
HIN/IMO: TSP15200A898

Engines/Generators

Engine 1

YANMAR
2GMF20

Summary/Description

The J105 is in a class of her own in the daysailer / race category.

The J105 is in a class of her own in the daysailer / race category. These boats are the perfect answer for anyone looking to sail with family and friends and still have a boat that can handle anything from a Wednesday night race to serious one-design national championships. This J105 has the traditional layout with the galley and nav area by the companionway. I personally prefer this layout as it is easier to use both of these areas with the additional headroom of having the hatch open. She has been mostly daysailed by her last few owners who have kept her in nice condition. Highlights: Raymarine autopilot, 2016 running rigging, 2016 Main, 2020 Jib.

J Boat J/105
