-Advanced hull geometry for stability and excellent fuel efficiency Range @ 32.5 kts 1.1 nmpg

-Indoor/outdoor pilot house

-Certified ISO Class "A" Ocean

-Varnish redone 2022

MJM 40 Z from Kevin Falvey, Boating Magazine

The MJM 40z is a unique vessel, born of experience, refined through the input of active owners, and realized at the highest levels of the boatbuilder's art. Above the water, its lines take design cues from classic yachts, yet the 40z resides in a class of one, melding blue-blooded looks with the highest degree of functionality. Below the waves, a thoroughly modern hull form and Volvo Penta's IPS pod propulsion deliver a seakindly experience, combining spirited handling, economy of operation and the dockside confidence provided by joystick control.

PassagMaker magazine called it the worlds best couples cruising yacht.

SPECIFICATIONS

ACCOMMODATIONS:
