## Summary/Description

Tiramisu is a 1987 O'Day 322 with a foot masthead sloop designed by C. Raymond Hunt Associates.

Tiramisu is a 1987 O'Day 322 with a foot masthead sloop designed by C. Raymond Hunt Associates. A wide-open layout and six feet or more headroom provide a spacious arrangement, featuring a disappearing section of the forward bulkhead, which opens the boat's interior to the bow for a bright, airy feeling. Overhead lockers are aircraft-style, with abundant shelving and ample storage spaces. The drop leaf table seats up to six people, folding to allow a double berth in the main cabin. There are two private, fully enclosed double staterooms. The exterior is stylish and contemporary. The powerful hull form assures buoyancy and stability in stiff breezes and provides sizeable interior volume with dual rail pulpits and double lifelines, adding to her safety profile. Standout features include UK main, jib, and asymmetrical spinnaker sails with ATN sleeve annually washed, repaired, and kept in climate-controlled storage, Garmin 4208 multi-display, Datamarine link 5100 navigation, and Raymarine. ST-6000 autopilot. The 322 is a good option if you are looking for a comfortable cruising sailboat.
