Yanmar  
6BY  
Inboard  
220HP  
164.05KW  
Fuel: Diesel  
Hours: 1878  
Year: 2008

### Engine 2

Yanmar  
6BY  
Inboard  
220HP  
164.05KW  
Fuel: Diesel  
Hours: 1878  
Year: 2008

## Summary/Description

This Fortier 33 is a classic example of New England charm and capability. A well thought out upgrade, she is powered by twin 220hp 6cyl common rail Yanmar Engines.

'Waypoint'

This Fortier 33 is a classic example of New England charm and capability. A well thought out upgrade, she is powered by twin 220hp 6cyl common rail Yanmar Engines.

The Fortier 33 rides a modified-vee hull cored with Core-Cell foam, making it lightweight and delivering a quiet ride. Designed by Eldredge-McInnis, the look is traditional, with its trunk cabin, oval ports and distinctive Fortier windshield.

Her fully air-conditioned cabin with sleeping for up to 4, a Northern Lights generator and 12v/110v power inverter. Extended cruising is made simple with her layout and amenities. The large aft cockpit is a social zone with full potential for picnics, fishing or lounging after a dip in the water.
