Summary/Description

The Jeanneau NC 895 is a true extended weekender, and perhaps the ultimate "pocket-cruiser powerboat."

The Jeanneau NC 895 is a true extended weekender, and perhaps the ultimate "pocket-cruiser powerboat." She features a bright & open interior (pilothouse and below), with great visibility from the helm station and comfortable accommodations for a family of four (or two couples).

The pilothouse offers ample indoor dining, or you can spread out to the sizable aft cockpit. With both the interior and the exterior, the seats adjust a multitude of ways to suit individual preferences.

Broker's favorite feature: sliding side door at helm station for quick access to the recessed side deck and opening side gate, for easy dockside tie-ups.
