Fuel: Gas/Petrol
Hours: 120

Summary/Description

Seakeeper equipped!!! This barely used beauty is powered by triple Mercury 400 HP Verados with less than 120 hours and is loaded with extras including a Seakeeper.

Seakeeper equipped!!! This barely used beauty is powered by triple Mercury 400 HP Verados with less than 120 hours and is loaded with extras including a Seakeeper. Sportsman did an incredible job in the design of this boat. When designing the Open 352, every detail was considered- taking great care to craft a boat that is functional and elegant. The hard-top is a great example of this, with all of its integrated lights, recessed speaker mounting locations, bent custom D-Tubing, and strong ladder-back piping. The boat also features two side Dive Doors and two 30-gallon Live wells. The cabin is air-conditioned and powered by a 12-volt battery-operated system. There are also vents on the dash for the helm. The stereo is incredible, it is all JL Audio and has (10) Speakers, (2) Subs, and (3) Amps. Big Sport Fish Models like this are hard to find. Engines are under warranty until 10/05/24. Don't miss out on this season!

Overview

Electronics

- Two Garmin GPS Map 8622 22" GPS Screens with built in WIFI
