- Electrical Control Panel
- Lewmar Windlass Control (Lewmar Windlass w/o Capstan)
- ProMariner ProSportHD On-Board Marine Battery Charger

Deck Layout

As you approach the Contender 35, you are met with a striking profile... extended bow to get you up and on top of the chop and virtually new twin Evinrude 300's to get you to the fish fast! (or wherever you desire). Nicely proportioned for fun and fishing, the Contender 35 has a small galley (aft on the Port side), helm controls on the starboard side with comfortable seating, large settee area forward on both sides for entertaining and relaxation, whether at the dock or at anchor. Extremely sturdy welded Bimini top with Canvas provides great sun protection for those long days of chasing dinner (regardless if that is a Tiki Bar or on the fishing rod). Non-skid throughout to keep your footing both forward and aft in the cockpit.

Down below the Contender allows for great overnight accommodations with AC, refrigerator, head, stove and galley

area. Relax at the table or convert down into the V-Berth for a great night's sleep.
