Delivered in 2016 as hull #12 of the Pershing 82 model, this immaculate 25m luxury motor yacht is a sleek and elegant high-performance open motorboat. Designed by renowned Fulvio De Simoni, she was built by the prominent Italian shipyard Pershing, a brand of Ferretti Group.

The warm and stylish Italian interior features a stunning saloon / dining area with large windows and a retractable hydraulic door that divides it from the cockpit area. The breath-taking 360-degree view gives a feeling of intimate connection with the sea whilst shielding from the elements in less temperate weather.

Accommodation for 8 guests is divided into 4 spacious staterooms, including the master suite amidships, a VIP double stateroom forward and two twin cabins. The master suite is flooded with natural light thanks to its open-view windows. At the bow, the VIP cabin, also with an en-suite, offers an elegant central bed, along with two large lateral wardrobes. The more traditional setting with two twin beds can be found in the two guest cabins. To ensure privacy, the galley below is completely separate from the guest and sleeping areas. 3 crew onboard can look after every guest needs.

This Pershing 82 boasts an amazing sun deck, which can be comfortably accessed from an automated hatch and a carbon steel staircase. The staircase is decentralized and drops down by electro-hydraulic control; it automatically disappears upwards when closed, freeing the space on the aft deck.

Twin MTU 16 V M93 diesel engines of 2435 hp each (1792 kW) with Searex SR140S propulsion system together with Rolla surface piercing propellers can drive the Pershing 82 yacht to the impressive top speed of 49 knots and a cruising speed of 37 knots.

In like-new condition with a flawless light grey exterior and elegant modern interior, this sporty and eye-catching yacht ready for her new owner to enjoy.
