64KW  
Hours: 7990

### Generator 2

John Deere  
64KW  
Hours: 8010

### Generator 3

Cummins  
27KW

## Summary/Description

Delivered in July 2019 as an extraordinary, fully custom sailing yacht, SY Corsario was built in marine grade steel to the highest European standards by eminent Radež d.d. shipyard in Croatia. Designed for pure comfort, the yacht is perfect for the sailing adventurers!

Commercially registered under the Croatian flag and built according to the MCA LY3 code, supervised by Croatian Shipping Register for short range navigation, S/Y Corsario has an impressive interior volume of 339 GT with a very smart layout. Her saloon hosts a 12 guests dining table, two separated lounge areas and a fully equipped bar.

She can accommodate up to 12 guests in 6 luxury cabins, including two vast cabins (Master & VIP) with ensuite floor heating bathroom, 2 Double bed cabins with ensuite bathroom and 2 Twin cabins with ensuite bathroom.

On her 8m wide aft deck, two huge sunbeds overlook a wonderful "al fresco" dining area for up to 12 guests, while the fore deck also offers two attractive lounges with an amazing sea view.

Her sundeck provides two separate lounges areas – upper aft lounge with large sunbeds, jacuzzi, sauna and dayhead; and beautiful upper fore lounge with sunbeds which offer stunning 180° view.

A 6m bowsprit adds style to her elegant sailing style design, while improving her sailing performance.

Equipped with 2x John Deere diesel engines of 425hp each, this very economical and eco-friendly yacht can reach a top speed of 11 knots and can cruise smoothly at 8.5 knots, burning only 50 liters per hour and allowing a range of 2,000 nautical miles.

Her main engine room has 2x John Deere generators with 64kW for power supply and an additional Cummins generator of 27kw for night use.

There is also desalinizer that produces 425 liters of fresh water per hour. S/Y Corsario owns a powerful 5.5m tender capable of towing water-skiers, wake-boarders and many towable toys available on board.

Many other toys, including Yamaha jet ski, seabob, inflatable swim platforms, 2 paddle boards and 2 SUP boards are offered to the guests.

## Equipment & Details
