Summary/Description

2022 Sea Ray 210SPX bowrider - great dayboat with plenty of comfortable seating for fun on the water with family and friends!

The **Sea Ray 210SPX** is a sleek and stylish bowrider boat that is perfect for a day out on the water. Measuring 21 feet in length, it has a spacious and comfortable interior that can accommodate up to 10 passengers. The boat is equipped with a powerful Mercury 150hp engine that delivers impressive performance and speed, making it ideal for watersports and cruising. The 210SPX features a large swim platform at the stern, making it easy to get in and out of the water. The cockpit area is well-designed with comfortable seating and a functional helm station that includes a digital display, a tilt steering wheel, and intuitive controls. Other notable features include a waterproof stereo system, a bimini top for shade, and ample storage compartments throughout the boat. Overall, the Sea Ray 210SPX is a versatile and reliable vessel that offers comfort, style, and performance.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
