Summary/Description

2022 Key West 210 Bay Reef

The Key West 210 Bay Reef is a versatile and powerful boat that is perfect for both avid anglers and recreational boaters. With its sleek design and robust construction, it is built to navigate through any water conditions while providing a smooth and comfortable ride.

Measuring at 21 feet in length, this boat offers ample space for up to seven passengers, making it ideal for a day out on the water with family and friends. The spacious deck layout features plenty of storage compartments, allowing you to stow away all your fishing gear, water toys, and personal belongings.

The Key West 210 Bay Reef is specifically designed for fishing enthusiasts. It boasts a large casting platform at the bow with generous storage compartments for your tackle boxes, rods, and other fishing essentials. The boat also features a Two live well, Bluetooth Stereo, Garmin Depthfinder, Trolling motor, and Powerpole.

Comfort is a priority on the Key West 210 Bay Reef. The boat is equipped with plush seating options, including cushioned seats at the helm and bow, ensuring a comfortable ride for everyone on board. Additionally, the center console provides protection from the elements, while the windshield offers excellent visibility and shields you from wind and spray.

Safety features are also a top priority on this boat. It is equipped with stainless steel grab rails, non-skid flooring, and ample handholds, ensuring stability and security while moving around the vessel. The boat is also equipped with navigation lights, ensuring visibility during nighttime or low-light conditions.

Overall, the Key West 210 Bay Reef is a high-quality boat that combines functionality, versatility, and style. Whether you are an angler looking to reel in the big catch or a boating enthusiast seeking a reliable and enjoyable vessel, this boat is sure to exceed your expectations and provide countless hours of on-water adventures.

Manufacturer Provided Description

The 210 Bay Reef has been specially crafted so that there is room for everything that a serious fisherman needs. The interior has been tweaked and squeezed to get everything a serious fisherman could ask for such as space for 10 seven-foot rods in the lockable rod boxes, dual live wells, spacious front and rear deck, under gunwale molded-in rod racks, and the first bay boat in its class with a potty room under the console. It is a family-friendly bay boat as well with features such as fold-away jump seats in the rear deck, and generous cup holders throughout. Whether you are a recreational fisherman or a hardcore tournament angler, there is a Bay Reef to fit you. Every model includes two standard live wells, accommodation for even the longest fly rods, and the most storage and deck space in its class. The Bay Reef series also sports a bit less draft for improved performance and a great ride.
