Summary/Description

The Grady-White 330 Express is a versatile boat capable of being a salt-water fishing machine and a comfortable express cabin cruiser for the family all in one. She is easy to handle around the dock with twin engines and bow thruster and known for her soft, dry ride.

The Grady-White 330 Express is a versatile boat capable of being a salt-water fishing machine and a comfortable express cabin cruiser for the family all in one. She is easy to handle around the dock with twin engines and bow thruster and known for her soft, dry ride (C. Raymond Hunt Deep-V Hull) and thoughtful accommodations, the 330 Express is an impressive vessel all-around.

Remedy is an excellent example of the 330 Express: she was repowered in 2021 with new twin 300 hp Yamaha outboards and new aft canvas/isinglass was installed in July 2023. The Yamaha warranty is active until 2025. *Remedy* is professionally waxed and detailed and she's in the water and ready for you to spend the rest of your summer on the water! Showings by appointment.

The vessel's current slip in Wickford, RI available to local buyers.
