Engine 2

Detroit Diesel
12V71N
Inboard
500HP
372.85KW
Fuel: Diesel
Hours: 1200
Year: 1999
Serial #: 12VA029085
Location: Starboard

Summary/Description

1973 Hatteras 53 Convertible - Refit with Custom Galley! Lovingly Maintained--READY for New Owner to Cruise and Fish!

1973 Hatteras 53 Convertible

This 1973 Hatteras 53 is a fantastic example of the builders expertise! She has always been used as a cruiser. Her engines were majored and have approximately 1,200 hours on her SMOH. The stock galley was replaced with a custom galley that includes Sub Zero drawer refrigerator/freezers, Corian countertops and a Kenyon 4-burner cooktop stove. The redo really opens up the galley nicely and rivals boats that are much larger. Her salon is open and airy and very comfortable. She has two staterooms and two heads. The amid-ship berth could easily be converted to a side queen if needed. This boat has definitely been loved and you can tell that the owner takes great pride in her. She is his hobby!!! She has Detroit 12-71 Naturals, so no turbo's!! This would make a great cruiser, live aboard, or fisherman. At 1900 RPM's she cruises at about 18 knots. Her entire body has been lifted and the lifting strakes glassed to the hull. Nice.

The owner has decided that it is time to go.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
