## Summary/Description

This gently used 2020 Ranger Tug 29 CB has been lovingly cared for by its original owner. With less than 130 hours on her Volvo D4 diesel, this boat is just getting broken in.

### THIS ONE IS A BEAUTY

This gently used 2020 Ranger Tug 29 CB has been lovingly cared for by its original owner. With less than 130 hours on her Volvo D4 diesel, this boat is just getting broken in. ADIONA also is equipped with BOW and STERN THRUSTERS to be sure docking is a breeze. Several substantial upgrades after purchased are:

- Custom mattresses made for both cabins for extra comfort
- Sea decking installed in cockpit area
- Fresh water flush was added to be sure there is no head odor
- And many more significant options on this one.....

If you are on the market for the much sought after Ranger Tug 29 CB, and would like more information on this super clean boat, do not hesitate to reach out to the listing broker today. Spring is right around the corner!

The R-29 CB offers all of the innovative features that we've incorporated into the beautifully designed R-29 CB but also adds the comfort, convenience, and excitement of a command bridge. The new command bridge features seating for four and a full suite of electronic controls including VHF, bow & stern thruster controls, Volvo engine controls, spotlight remote, lighted compass, and optional Garmin autopilot and Navigation system. Access to the bridge is achieved by climbing the teak steps in the aft cockpit area. On the bridge you'll also find convenient grab rails for safety, 12v power, cupholders, and weatherproof speakers.

The more modern styling of the Ranger Tugs R-29 CB feature a curved front window and an overhead glass atrium that provides exceptional visibility from the helm station and salon area. An ingenious aft cockpit seating arrangement includes a reversible seat, port and starboard jump seats and a teak table for outside dining. The opening cabin bulkhead with reversible seat also provides additional cockpit seating while bringing the outside-in.

The Ranger Tugs R-29 CB can accommodate up to six adults on three separate berths, including the forward island berth with en-suite fresh water head. The R-29 is powered by a fuel efficient 300 HP Volvo Inboard Diesel engine that is located completely outside of the cabin for quiet cruising. Standard stern and bow thrusters make docking exceptionally easy.
