Location: Middle

Summary/Description

Bashful is one of the last Hunter 46 LE's built. This is a proven off-shore passage maker with a powerful sail plan and particularly strong Kevlar re-enforced hull. A knowledgeable original owner has maintained her to a high standard and continuously upgraded her.

"**Bashful**" is a proven off-shore passage maker. A knowledgeable original owner has maintained her to a high standard and continuously upgraded her. High quality components are used throughout the boat. Low hours Yanmar diesel, Selden B+R rig, Lewmar winches, Corian counter tops and Bose sound system. A custom arch carries a 520 watts solar panel and serves as a dingy davit.

The huge interior features a massive master cabin forward with separate head and shower compartments, Two double staterooms aft and a large galley with lots of storage.

"**Bashful**" is capable of taking her new owner around the sound or around the world with comfort and speed.
