Summary/Description

"Quality, Custom-Builds & Lightweight, this is McConaghy." McConaghy is proud to now introduce an entire line of Performance Luxury Multihulls. Drawing on their 50 years' of yacht building excellence, and reputation for creating some of the world's best performing race boats.

McConaghy's continual innovation and investment in new materials and technologies has allowed the builder to firmly establish their position at the forefront of progressive high-performance and now also luxurious yacht building.

The MC82P features clean lines, apartment-style living and an open modern dynamic that simultaneously enables comfortable cruising and better performance. She has been designed with the performance cruiser in mind. Whether you're an experienced multihull yachtsman or new to the genre, whether you seek bluewater adventures or coastal cruising with friends and family, these innovative multihulls offer impressive performance in a stylish and luxurious package.

Specifications Pricing & Options as Configured \$6.7M
