**A classic well-built boat with a sound engine. This makes a great starter boat and has a lot of bang for the buck!! The seller has had this boat since original. very low hours - no hour meter. It is estimated at 500, Seller had boat mechanically looked at a month ago and run by a very well-respected mechanic in the area and she is a sound running machine. Give me a call lets get your offer in, boat ride in.. and boat sold to**

**you!**

**This is a great opportunity for someone that is maybe getting into boating or wants to boat but maybe does not have the funds for many of the more expensive boats on the market.
