Summary/Description

Super Clean, Low Hours, Very well Maintained, Ready for Enjoyment!! Seller moving and is Reasonable.

This is a rare single engine model and in very nice shape! Low hours, much more fuel efficient than the twin engine model, but still features a nice cruising speed of 24 MPH at 3400 RPM's.

Seller has owned since 2012 and has taken very good care of her. She gets detailed regularly and gets serviced regularly at Florida Captains Services.

This boat has only 222 Hours and runs like a charm. Don't miss out.

- ***MerCruiser 496 MAG Engine - 375 HP - Freshwater Cooled - and has built in Freshwater Flush System - Only 222 Hours**
- ***New Bimini Top and Cockpit Cover 2022**
- ***Seats 8 in Comfort and The Upholstery is Excellent**
- ***Two Cabin Layout w Dinette, Galley and Enclosed Head will Sleep 6**
- ***Dockside Air Conditioning - Reversible**
- ***Anchor Windlass - Hydraulic Trim Tabs - Hydraulic Steering**
- ***Lowrance Elite-5 HDI GPS, Chart Plotter, Fish and Depth with Thru Hull Transducer**
- ***Dual AGM Batteries - Battery Switch - Battery Charger and 30 Amp Shore Power**

BROKERS WALK THRU

Excellent example of a 2007 Model Sea Ray. Boat has been very well cared for cosmetically and mechanically by an owner that has had her since 2012.

Seller will be moving in the near to Jacksonville, and would love to sell the boat before they move.

Give us a call, happy to show the boat before you make an offer, but if you know this is what you want, get your offer in soon. This is the only Single Engine 280 Dancer I am aware of (at the time of this listing) in a thousand miles.

Boat is in great shape, seller is reasonable.

***Seller has all maintenance records since he bought the boat. Can be made available in person if known in**

advance. Last two years maintenance are included in this ad.

POWERBOAT REVIEW

A huge sales success, those looking for a versatile pocket cruiser will find much to like in the 280 Sundancer. Sea Ray hit all the right buttons with the 280 — terrific styling, top-shelf amenities, and a well-appointed interior with comfortable accommodations for six.

Beginning with her spacious single-level cockpit with wet bar, portside lounge, and transom door, the stern bench seat folds out of the way when not needed and the rear-facing bench seat converts to a sun lounge.

A centerline companionway leads to the 280's cherry-trimmed interior with U-shaped dinette to port, full-service galley opposite, convertible V-berth forward (with removable table), and a compact head/shower to starboard. Privacy curtains separate both sleeping areas from the salon. An extended swim platform was standard, and a convenient storage locker is built into the transom.

Molded steps in the sliding companionway door provide quick bow access via the walk-thru windshield. On the downside, the mid-cabin berth is a tight fit for adults and the engine compartment hatch is heavy. Built on a solid fiberglass deep-V hull, twin 220hp MerCruiser sterndrives, the 280 Sundancer will cruise at 24-26 knots (about 40 knots top).

Manufacturer Provided Description

For a classic combination of beauty and power, just step aboard this dynamic 280 Sundancer. It's powered by a 375 horsepower 496 Magnum Bravo III MCM sterndrive and features a sporty, molded-fiberglass spoiler with overhead lighting, plus an extended swim platform with concealed swim ladder. Additional amenities include AM/FM/CD stereo and Sirius satellite receiver, removable carry-on cooler, optional flatscreen TV/DVD player, and hot and cold transom shower.
