Priced to sell!

The asking price is well below market value.

The 45ft Shannon 2006 Fast Trawler is a versatile and seaworthy vessel designed for those who seek the perfect blend of power, performance, and comfort on the water. Built-in 2006, this trawler boasts a sleek and timeless design, featuring a sturdy hull that can handle various sea conditions with ease, equipped with twin 27889Cummins QSM-11s that offer impressive speed and agility for a trawler, making it an ideal choice for cruising. Suis le Soleil offers two spacious and well-appointed cabins, a fully-equipped galley, and a well-designed helm station. Whether looking for long-range cruising or a thrilling day on the water, the 45ft Shannon 2006 Fast Trawler delivers an exceptional boating experience.

## Overview

The Shannon Voyager 45 is a perfect solution for owners who require an all-weather motor yacht for extended cruising or weekend jaunts offshore. Though designed in the style of a classic trawler, the Shannon Voyager 45 actually has a Deep-V planing hull that allows the yacht to reach a maximum cruising speed of 30 knots.

The Shannon Voyager 45 achieves a cruising range of 700 miles with twin diesel engines and 750 gallons of fuel. The planing hull and flared bow keep water and spray off the deck and give the Shannon Voyager 45 the ability to cruise at fast or moderate speeds in any wind or sea condition.

Shannon Yachts are better known as a high-end custom builder of sailboats. This Shannon Voyager 45 was built for an owner of a Shannon sailboat who wanted the same high-quality build as his sailboat, but in a power cruiser. The design is a typical trunk cabin cruiser but with a full beam aft sundeck. This makes the aft cabin larger and the sundeck has more usable room for family and guests. Two couples can cruise in comfort and safety.

## Lower Helm

- Inside pilot house starboard side
- Teak and holly flooring
- Padded fixed seat provides good visibility
- Hydraulic wheel steering
- Throttle / shift controls for each engine
- Bow Thruster control
- Raymarine E120 Display
- Raymarine Auto Pilot
- VHF Marine Radio
- Electrical distribution pannel
- Trim Tabs
- Search light Controller

- Cummins Engine Displays

## Main Salon

- A settee is also to port with dark green leatherette fabric and a high/low table with two side extensions. Also to port is a wet bar with a brass sink, ice maker, built-in wine rack, and a custom liquor cabinet.
