Hours: 15

Summary/Description

This is an extremely well-maintained Pro-line 2610 Walkaround. She has been on the same indoor rack throughout her life, a rack at Sweetwater Marina in Fort Myers, Florida. The Volvo I/O drive has only 15~ hours since the rebuild 1 year ago. She is ready for her next chapter!

Along with the indoor rack space at Sweetwater Marina, N Pursuit comes with an extra propellor, full canvas, an extra set of speakers, and even a set of plates and bowls. There isn't anything on this boat that does not function as originally intended. N Pursuit has spent her whole life at Sweetwater Marina, on her 3rd owner now. The bottom is in fantastic shape, and the I/O has been maintained as well. The head and galley are in great shape. She has a brand-new windless. The only thing this boat does not have is a trailer.
