Stereo and GPS plotter replaced in 2020 and full fuel tank! Ready for rock fishing or your boat lift!. No trailer. Ready for your complimentary demo ride NOW.

Seller Comments:

The current owner purchased the boat from its original owner in November 2016, and he has kept it ever since on a lift at his home off the Rhode River south of Annapolis. He has used the boat to cruise the middle Chesapeake Bay, including trips to Saint Michaels, the Kent Narrows, Wye Island, Chestertown, Oxford, and Rock Hall. The boat's open layout offers great flexibility, whether for fishing, hauling water toys, or accommodating a crowd (maximum capacity is nine persons). The cuddy cabin offers abundant storage room for the boat cover, life jackets, fenders, and the like. The large 200 horsepower engine allows for comfortable cruising in the mid to high 20s, with a maximum speed of close to 40. The current owner often cruises alone and can easily dock the boat single-handed. The boat has been professionally maintained by Casa Rio Marina, and the owner has invoices for annual engine services and hull waxings. The owner purchases ethanol-free gasoline for the boat at the West River Fuel Dock in Galesville. A new custom boat cover from Cover Loft in Annapolis was installed in 2022, and a new Garmin GPSMAP 942xs 9" Touchscreen GPS chartplotter fishfinder combo was installed in 2019, along with a new Clarion M508 USB/MP3/WMA Marine Stereo Receiver with Built-In Bluetooth, a JL Audio MX-series speaker, and a Fell Marine MOB+ wireless kill switch.
