Engines/Generators

Summary/Description

This 1997 55ft Hyatt is powered by twin Caterpillar 3208 Diesel engines (port hours: 1467, starboard hours: 676). Ten hours since last oil change.

This 1997 55ft Hyatt is powered by twin Caterpillar 3208 Diesel engines (port hours: 1467, starboard hours: 676). Ten hours since last oil change. Electronics include a Garmin 512 GPS, two VHF radios, stereo system, Garmin autopilot. Bow thruster needs repair. There are four bilge pumps. Haul-out April 2023 with new antifouling paint and new cutlass bearings. New Muir anchor winch 2020. Five air conditioning systems including upper helm. The wheelhouse has large wraparound bench seating with cushions. Eisenglass curtains in the wheelhouse and aft deck protect from the elements. On the deck there is a dinghy davit and space for small tender in deck. In the galley there is a full-size fridge, two burner stove, microwave, toaster, oven, sink and lots of storage. A u-shaped dining area comes with a table that folds out and also adjusts vertically. The spacious aft deck has a top of the line Gaggeneau oven and couch that converts to a double bed. In the engine room there are two generators (9kw aft and 21kw in main), a 20 gallon per hour Water-maker, battery charge, electric panel, water heater, vacuum system and fuel filters. New batteries installed 2022
