Builder: Watkins

Designer: William Tripp Jr.

HIN/IMO: WYM32026M83H

Engines/Generators

Engine 1

Yanmar

3GMF

Inboard

20HP

14.91KW

Fuel: Diesel

Location: Middle

Summary/Description

6ft 5in Headroom 32ft Sloop

This vessel is ready to get back to cruising! Whether you want to do some coastal cruising, head down island, or just enjoy some nice day sailing this might be the one for you.

The owners spent 6 months each year cruising from the West Coast of Florida to the Exumas in the Bahamas, on this shallow draft boat for the last 4-5 years before Covid, so this is a proven Bluewater cruiser!

The Watkins 32 was designed by William Tripp Jr. derived on the molds from the Columbia 32. Only eight were built, being first introduced in 1979. In 1984 the transom and some of the interior were modified and became the Watkins 33. This vessel is sloop rigged with a fin keel and a skeg mounted rudder. The interior is well appointed with 6ft 5in headroom!

- B&G T7 Multi-Function Display in NavPod at Helm
- Harken Winches
- Hood Headsail Furler
- Custom Hard Bimini
- Rigid Boom Vang
- Outboard Hoist
- Dingy Davits
- Magma Grill

- ACR GlobalFix V4 EPRIB - Registration valid through April 29, 2025
- MPPT30 Charge Controller
- Solar Panels
- (3) 130 Watt Solar Panels
- Solar Vents
- Inverter

- USB Outlets
- Plenty of Spares and Equipment
- New cushions throughout

Interior Layout

The interior layout has a sizable v-birth forward with a hanging locker on starboard opposite the enclosed head with Nature's Head composting toilet. In the saloon you'll find a large locker and single settee to starboard with a u-shaped dinette to port. There is a chart table and a nice size quarter birth to port with the galley to starboard. The galley contains a 2-burner propane stove with oven, top loading refrigerator/freezer, sink with pressurized fresh water and foot pump operated saltwater faucets, and adequate stowage.
