Embark on a journey of opulence and exhilaration aboard the 2008 Four Winns V458 "Island Girl", where luxury meets performance in perfect harmony. This magnificent yacht is a testament to craftsmanship and design, offering a seamless fusion of elegance and functionality.

Step aboard, and you'll be immediately captivated by the V458's sleek and contemporary lines. The yacht's profile exudes sophistication, hinting at the indulgent experience that awaits you on board. With a length of 45 feet, this vessel commands attention in any harbor, making a bold statement wherever it goes.

Performance is at the forefront of the V458's design, with powerful engines that deliver an exhilarating cruising experience. Whether you're navigating coastal waters or venturing offshore, this yacht offers a smooth and stable ride, making every voyage a memorable adventure.

The hull's fine entry and deadrise at critical hull stations enables it to deliver soft ride in rough water. That's what the deep-V and Ray Hunt designs are all about. But there is a lot more to the new 458 than a deep-V bottom, the interior is a giant step forward for Four Winns in terms of opulence, large-yacht features and technology.

Powered by Volvos IPS pod drives, the 458 delivers some 25% better economy than similar-sized yachts with conventional inboards, and fingertip control with the Volvo IPS joystick makes handling this boat dockside a pleasure for the whole family. Helm station visibility is very good with a big expanse of windshield glass forward and minimal interference from the sculpted hardtop supports and mullions.

Full-height bow railings lead all the way forward along wide, flat side decks, adding a good measure of topside safety. The oversized power swim platform lowers to serve as a tender dock or diving staging area, while two sets of stern cleats add mooring options.

Down below, the layout features cherry cabinetry, and large side ports and overhead hatches flood the interior with sunlight.

The cockpit railing and deckhouse railing back aft, the transom trunk, extended visor over the cockpit, enclosable cockpit area, storage bins under the deck port/starboard aft, long pantograph windshield wiper, teak aft, etc. all of which our quality up-grades and good, thoughtful design.

In conclusion, the 2008 Four Winns V458 is not just a yacht; it's a statement of discerning taste and a commitment to the finer things in life. If you desire a vessel that seamlessly blends style, comfort, and performance, look no further than the Four Winns V458 – where luxury knows no bounds.
