Summary/Description

WILL ACCEPT CLEAN TRADES

This High Caliber Yacht is in MINT CONDITION and a must see!

It's only once in a great while a vessel of such stature, performance and condition comes to market with such an offering.

Owners are moving up and have her turn-head, turn-key ready for its next home.

Located at the Marriott in downtown San Diego

Introduction

This Marquis has taken all the characteristics of a much larger yacht and incorporated that into this incredibly innovative 50 ft package. "Indecision II" is by far the cleanest Marquis on or off market." "Indecision" exemplifies pride of ownership and an attention to detail Even the most persnickety of yachtsmen would approve. Triple threat power package It's no wonder that this triple threat power plant is head of the pack. Taunting a 26.5 knot cruise at 3,000 rpm to the competition. To date "Indecision" has under 500 hours on her well-maintained D-6 Volvos coupled with the popular IPS drives. In addition to being like new, she also has some great features and upgrades including;

*Hydraulic swim platform

*Underwater lights

*Joystick operation

*Teak decks

*Raymarine Hybrid touch screens

*Gold Metallic color

Recent Upgrade

*Starlink

*Teak deck (complete refresh)

*New canvas, covers, and sunshades

*460 original hours

*LLC

*Exclusive Marriot Marina in the heart of Gaslamp district (Pending Marina approval)

This Marquis is a performance yacht operated from either the flybridge or the fully equipped salon helm station. Power is supplied by three Volvo Penta diesel engines coupled to IPS rotating pod drives – the most innovative and efficient engine / drive system available. The result is superb slow speed torque; thrilling top-end speed and exceptional joy stick

controlled slow speed maneuverability. And, while powerful – this engine and drive combination is quieter and more efficient than traditional shaft driven propulsion systems.

The features incorporated into this yacht reflect forward thinking from the Nuvolari-Lenard design team. The low-profile sport bridge is for people who love fresh sea air and warm sunshine. There is no shortage of lounge space. Choose the privacy of the triple-wide foredeck lounge or the contoured bridge lounge or the spacious sun pad aft of the bridge.

With the opening of the aft bulkhead doors, galley, salon, cockpit, and swim platform are integrated into a single level social area. For additional cockpit space the transom is moved aft with a simple touch of a button. Awe inspiring interior appointments include yacht finish woodwork custom crafted from a number of exotic hardwoods.

The prestige associated with the Marquis brand has been earned over time and is undisputed by the world's most knowledgeable yachtsmen. The new Marquis 500 Sport Bridge reflects the knowledge of a highly refined owner that recognizes world class style and fine yacht quality.

Manufacturer Provided Description

The 500 Sport Bridge is the most recent creation from the yacht design studio of Nuvolari-Lenard of Venice, Italy. Their extensive experience designing the world's largest and most luxurious mega-yachts has been applied to the Marquis 500 Sport Bridge. This is a very special vessel. Every last detail has been scrutinized to reflect Nuvolari-Lenard and Marquis Yacht's combined reputation for obsessive attention to design detail and unmatched yacht construction quality.

This new Marquis is a performance yacht operated from either the flybridge or the fully equipped salon helm station. Power is supplied by three Volvo Penta diesel engines coupled to IPS rotating pod drives – the most innovative and efficient engine / drive system available. The result is superb slow speed torque; thrilling top-end speed and exceptional joy stick controlled slow speed maneuverability. And, while powerful – this engine and drive combination is quieter and more efficient than traditional shaft driven propulsion systems.

The features incorporated into this yacht reflect forward thinking from the Nuvolari-Lenard design team. The low-profile sport bridge is for people who love fresh sea air and warm sunshine. There is no shortage of lounge space. Choose the privacy of the triple-wide foredeck lounge or the contoured bridge lounge or the spacious sun pad aft of the bridge.

With the opening of the aft bulkhead doors, galley, salon, cockpit, and swim platform are integrated into a single level social area. For additional cockpit space the transom is moved aft with a simple touch of a button. Awe inspiring interior appointments include yacht finish woodwork custom crafted from a number of exotic hardwoods.

The prestige associated with the Marquis brand has been earned over time and is undisputed by the world's most knowledgeable yachtsmen. The new Marquis 500 Sport Bridge reflects the knowledge of a highly refined owner that recognizes world class style and fine yacht quality.
