Boasting a sleek design and top-of-the-line features, this vessel is sure to impress even the most discerning of buyers

Key Features:

- Only Freshwater run on Lake Ozark
- Upgraded BLUAVE Stereo system
- Excellent condition

Overview

The 42 is highly attuned to her purpose as a daytime cruiser. An aft removable settee provides a second entrance to the platform, while an adjacent convertible sunpad provided an excellent place for anyone onboard. Also, it's worth noting that the cockpit and saloon soles are flush, making the boat's main entertainment space easy to navigate even at speed.

The foredeck is accessible by way of the easily maneuverable side decks and through a convenient walk-through panel in the middle of the windshield. The foredeck is particularly recessed and flat and girded by a waist-high railing. Three deep storage compartments are below the deck.

The 42 Sport Coupe with low engine sound levels, generously sized windows and a single-level deck plan that creates a common social area from helm to the transom bench seat. There's access to the swim pad from both port and starboard corners, while filler cushions can be added to turn the aft lounge into a conversation pit or alfresco dining area. An on-deck refrigerator, ice maker and electric grill transform the aft end into a summer kitchen with a view, while the transom shower and various storage lockers accessible from the large swim platform give the boat added potential to support water sports like diving or snorkeling.

Luxurious Interior

Step inside to find a meticulously designed interior featuring high-end finishes, comfortable seating, and ample natural light.

The 42's accommodations deck was turned out mostly in cherry and granite (both cored to keep weight down) and has a very homey, comfortable feel to it. A master in the bow is appointed with a queen-size berth, which is laid slightly askew to make for more walkaround space, and a standard 22-inch Sharp TV. Do not forget the impressive VIP stateroom aft, which featured athwartships twin berths that can be connected via inserts to make one large berth. With her two stateroom, two full head layout you can comfortably have multiple parties on board for over night stays or longer weekend trips.

A well-appointed galley is ready to prepare gourmet meals with ease in the fully equipped galley, complete with modern appliances and ample storage space. Equipped with sink, microwave, stove top, and stainless steel refrigerator. Trimmed in quality high gloss varnished wood works. Plenty of storage to neatly stow away all galley needs.

Engines and Electronics

A central hatch provides fast access to the engine room with vital systems, including the seacocks and filters. For complete access to Volvos and drives, the center section of the deck raises on an electric ram. The single fuel tank sits on centerline. Batteries and mechanical systems such as the genset, water heater and air-conditioner compressor are also positioned to maintain a balanced running attitude, and the benefits of this careful planning.

Freshwater ran Volvo Gas IPS makes for ease of movability at the docks. With smooth, integrated joystick control, this Sport Coupe is a breeze to dock in any condition. The gas Volvo engines have just around 680 hours that have been professionally maintained ensuring the vessel's pristine condition. The Kohler Genset, with its low hours at 389, power the onboard A/Cs and all onboard 120V systems.

Equipped with Garmin 7212 MFD with supporting GPS and Sonar. Market leading user interface for ease of use. In addition, this 42 Regal is equipped with a TracVision receiver to support the multiple TVs onboard. The upgrade BLUAVE stereo was upgraded with 1700 amps for the various 7" and 9" BLUAVE speakers supported with a boosting 1100 amp for the 600 watt 10" Sub. All back lit with LED lighting kit.
