This 2006 Cabo 43 Fly features a deep V hull and 2 upgraded MAN V8 900s, making her fast and comfortable in the choppiest sea. Her sole owner kept her in immaculate condition and all maintenance was carried out at the same shipyard. This is a fantastic Sportfish yacht combining efficiency and performance and she is just as comfortable for fishing, cruising or at max speed. With a clever layout with two cabins - a Master cabin amidship with ensuite head and a Double guest cabin forward - she is easily the best option for a fresh 40ft sportfisher on the market.
