316.92KW
Fuel: Gas/Petrol
Hours: 175
Location: Starboard

Summary/Description

Highly optioned and upgraded Freeman 47T sportfish catamaran in showroom condition, powered by quad 425hp Yamaha 4-stroke outboards. Cruises in mid-55mph range! Well-equipped for offshore fishing. Why wait for new build-- CALL NOW!

This Whisper Grey 2022 47T Freeman is a beautiful example of a build that was carefully thought out and has truly been cared for properly. Stored inside a custom built building in the off season and in a covered boat lift during the fishing season this boat is immaculate and is in showroom condition with ONLY 175hrs!

This 47T Freeman is powered by quad 425 Yamahas that provide this 47T with plenty of torque from the powerful V8 engines, while keeping the high end performance that allows this Freeman to cruise in the high 50mph ranges. With a top end of 70mph and a cruise of around 55mph, this platform is fast, in addition to the reliability that Yamaha is known for.

This 47T is also equipped with Helm-Master, giving the operator full control of this quad engine setup with the touch of a joystick. Yamaha Helm Master allows the operator to hold position with the push of a button whether you are bottom fishing or waiting your turn at the ramp.

Special touches such as Dekit through-out, Reverso engine flush system, Freeman's "extreme" audio package, rear facing cockpit Garmin, and a varnished teak rocket launcher make this a first class package that has been extremely well maintained and ready to fish!

Vessel Details
