Summary/Description

2023 Front Runner 26' Center Console

2023 Front Runner 26 with a single Cox 300HP V8 4.4L Diesel Engine, experience incredible efficiency and unmatched range without sacrificing speed.

The Front Runner 26 is a proven vessel that was built to handle the ocean just as well as it handles the back bay, her deep-v hull will cut through the waves and her bow flare will keep you dry even when the weather kicks up. Paired with a single cox diesel this boat has an incredible 435NM range at 28 knots.

- 6.8 MPG at 6.5 MPH (Troll/Idle Speed)
- 2.9 MPG at 33.7 MPH (Cruise)
- 2.3 MPG at 44.0 MPH (Top Speed)

Manufacturer Provided Description

We took everything that sets our larger models apart and packed it into a smaller boat. She features a proud bow and a traditional V-Bottom to ensure she will punch out of the toughest inlets and provide a smooth ride for you and your crew. Available with multiple power options to best suit your needs paired with a 150-Gallon fuel tank get you where you need to go without worrying where the next fuel dock is. Anglers can customize this center console to meet their needs—whether you're casting to Cobia behind a ray or trolling for Sailfish miles offshore. This is our first model under 30' and we can't wait to see where you take it.
