Summary/Description

"Royal Swan" is a 2005 Carver 46'6

This Motor Yacht with the large twin Volvo TAMD75 480 hp engines. Royal Swan was a freshwater boat all its life until it was moved to complete the Loop in 2021. This boat has had several updates and has had extensive services on both engines. She is in great condition, fully professionally detailed, low hours and with maintenance for both engines. This is a very popular motor yacht, for entertaining, a Great Loop veteran, turnkey and is ready to cast off for another adventure.

Accommodations

Royal Swan offers a large master stateroom aft with a queen size berth and an ensuite head with separate shower and a forward guest stateroom with a queen size berth and a joining ensuite head with an enclosed shower. In addition to the staterooms there is a 3rd berth under the dinette which has a large single berth and extra storage space. The boat has a large dinette for eating and several seating areas in the main salon. The fly bridge is a great entertaining area due to the large table and seating areas with a new large AC/Heat unit and the aft sundeck adds more space to gather.

Salon

The Salon offers a sofa recliner couch to the starboard and port is another sofa that turns into a hid-a-way bed. The entertainment center boasts a large movie theater feel with surround sound from Bose speakers and a Yamaha sound system. The salon also includes a liquor cabinet, two chairs that are seated for a bar setting. The large windows that have been newly tinted provide ample amount of light, but it has curtains to offer the privacy. The salon has newer carpet installed in 2020.

Galley

The down galley is to port

- New hardwood floors
- 3-burner electric Euro cooktop and oven
- Sub Zero refrigerator/freezer
- Microwave oven
- Large sink
- Granite counter tops
- All new Place Settings and cookware

Dining

Dining space is available at the dinette across from the galley to the starboard side able to seat 5 comfortably. The flybridge also has a nice large L shape dinette table.

Master Stateroom

The full beam master stateroom aft offers a queen size berth, storage throughout, large hanging lockers, drawers, reading lights and night stands. The stateroom has large windows that look aft for the morning light; along the same area has a TV and DVD player for your entertainment. The room has a large ensuite head and a separate shower. New carpet floors added. The head room is 6'6 ft and the berth is 6'3 ft in length.

Forward Guest Stateroom

The forward guest room offers a queen size berth in the center, reading lights, plenty of light from the overhead hatch, anchor chain locker access, very large hanging lock and storage units under the berth. A separate entrance to the joining guest head and a separate shower. New carpet floors added. The head room is 6'6 ft and the berth is 6'3 ft in length.

Mid Guest Stateroom

The Mid guest room offers an oversize single berth to the starboard, with separate door, reading lights, new carpet, has a porthole for extra sunlight, storage lockers and room for extra storage for suitcases or other. The head room is 4'5 ft and the berth is 6'0 ft in length.

Laundry

Malber washer/dryer combo

Flybridge

The flybridge offers a new leak proof bimini and Isinglass with all new vinyl on all the seating. Royal Swan has an extra-large A/C and heat on the bridge with Dometic controls for those hot days cruising and ample seating for the Captain and the guests. A large Captains chair with 2 accommodating side chairs for the mates. The bridge also has a nice dinette that can seat 6 people with storage underneath. Several storage lockers near the helm, USB ports throughout. The helm is situated so you have easy access to all controls. The decking is new Sea Decking just installed and curtains to reduce light to keep it cooler or remove them if you choose.

Sundeck

The sundeck offers a hardtop with new Sea Decking, vinyl on the seats, Isinglass and canvas. It has an icemaker and wet bar with cabinets. Easy molded-in step access to the swim platform or to the bridge, transom gate, 2 glass wing doors, a large storage unit which acts as a table, seating for 5 with storage underneath, USB ports, access ladder to the top of the Sundeck, solid stainless hand rails and a place to store the gaffs. The head room is over 7'0 ft.
