Manufacturer Provided Description

The Pursuit S 328 broadens the range of the Pursuit's popular Sport Series. The athletic 32 features an oversized fiberglass integrated hardtop and windshield system, updated classic sheerline, through-stem anchor system and integrated transom extensions. The exterior styling is complimented by a forward wrap-around lounge at the bow, just opposite of the forward facing seating in the console.

Below, a two-person berth converts to an aft facing seat with large open storage areas port and starboard. A head and sink with vanity could let you overnight and freshen up for a dinner shore side. The aft cockpit accommodates serious fishing and with the fold away fore and aft seats quickly converts to a social area at the dock.
