Custom Classic Forrest Johnson 32 Prowler 1976

Twin 2022 Yamaha F300s with Factory Warranty Until 12/30/2025

Recently Serviced and 52 Original Hours

Owner will consider a trade!

Miami boat builder Forrest Johnson and his iconic Prowler boats are well known in the industry. This truly unique and customized 32 will certainly impress, no expense was spared in creating this functional, fast and efficient fishing platform that will certainly stand out among the crowd.

Owner specifically sought out and found this 1976 solid fiberglass 32 Prowler hull, the second one he's owned. He implemented a thoughtful and carefully designed refit engaging the finest marine trades people available.

Converting from the original twin inboard configuration to outboard propulsion improved the weight to HP ratio, provided room for additional fuel extending range and opened up space for additional storage.

Tournament rigged to fish, everything is new from the thru-hulls, hoses, pumps and wiring to the Garmin electronics. Marsh Tacky outriggers, custom console, insulated ice/fish holds, 3-Sided enclosure, huge cockpit, tons of shade....this boat must be seen to be appreciated!

Twin Yamaha F300s with warranty mounted to an Armstrong bracket push this boat effortlessly at a 30 kts cruise at 4200 RPM achieving 1.3 MPG. 43 kts at 5500 RPMs.

A perfect boat for South Florida, Florida Keys or the Bahamas. Old school construction, built to last, super shallow draft but with all the modern amenities to enjoy a day of Bluewater fishing, diving or relaxing at the sandbar.

Call today for more information or to schedule a showing!

Vessel Walkthrough

Sleek, clean, functional and low maintenance is the immediate impression upon seeing this boat, she looks bigger than 32' with the custom Armstrong bracket. Almost 70 square feet of cockpit provides plenty of room for your offshore pursuits with only the 4-Rod Rocket Launcher in this otherwise uncluttered space. There is an 18-Gallon removeable live well stationed behind the transom on the engine bracket within easy reach. Stepping up to the helm deck you will see a centerline integrated tackle/rigging/insulated drink box island with hinged lids and removable cushions within easy reach of the cockpit or helm.

Large insulated in-deck fish box to the starboard side of helm and equally large above deck insulated box to starboard with a removable cushion. Custom console features a varnished teal helm pod and dual 16" flush mounted Garmin displays with an overhead electronics cabinet. Single helm chair has armrests and adjustable footrest.

There is 6'6" of headroom clearance under the white powder coated aluminum half tower with Stamoid top that provides

tons of shade. There is also a removeable cockpit sunshade for those days spent lounging at the marina or sandbar.

Everyone stays dry behind the three-sided enclosure with zippered side and front panels. Centerline helm deck hatch is electrically actuated providing access to a huge storage compartment with easy access to pumps and batteries.

Forward of helm are two bi-fold doors to the cabin with a lockable hinged hatch cover, There are two 7' v-berths all the way forward with storage beneath, an electric head to starboard with additional storage shelves to port.
