Summary/Description

Grand Harbor Yachts personalizes your yachting lifestyle. From design to manufacturing, there is a high level of quality throughout the entire production process with the finest craftsmanship.

The epitome of refined luxury and comfort, the Grand Harbour 72 is designed for yacht enthusiasts who appreciate capability and style at sea. Its sleek profile and graceful lines command attention on the water, while well-appointed interiors provide a tranquil haven for family and friends.

Step aboard and discover thoughtfully designed living spaces with large side windows and windshields that optimize natural light and maximize surrounding views. Ample seating, surfaces, and smart storage make it easy for everyone to get comfortable. The spacious salon and galley on the main deck lead to the aft deck and swim platform where there's a hydraulic swim lift for your tender or jet ski.

The spectacular foredeck offers an array of seating options for you and your guests, including sunpads with seat-backs and a settee with table for dining alfresco day or evening. Whether you're soaking up the sun or watching for whales, this is an excellent spot designed to be enjoyed every day.

For more than 35 years, Grand Harbour shipyards has been at the forefront of yacht craftsmanship, delivering unparalleled top-tier vessels that blend timeless aesthetics with state-of-the-art systems for a harmonious fusion of beauty and performance.
