Whether you're embarking on a leisurely coastal excursion or setting sail for distant shores, this powercat provides a tranquil sanctuary for your adventures.

Manufacturer Provided Description

The 4th Generation of Leopard Powercat

Succeeding the most popular powercat of all time (Leopard 51 Powercat), this Leopard 53 Powercat ushers in the 4th generation with a yacht that features all the attributes that made her predecessor successful, while reimagining what a powercat should be. With the space, stability, and efficiency expected of a catamaran combined with the comfort and luxury of a motor yacht, she is crafted with style without compromising on performance.

The Best of Both Worlds

The Leopard 53 Powercat offers a modern interior with the comforts of home as well as plenty of outdoor entertaining space. Combined with the smart and economical advantages of the catamaran design, she is easy to maintain and operate, and is up to 50% more fuel efficient than her monohull motoryacht counterparts.

The interior's atmosphere will entice, with cool tones and modern finishes. Offered in a three or four cabin layout, with the option for separate crew cabins. The three-cabin owner's version provided an at-home feel with a large, walk around bed, a walk-in closet and a double vanity.

The saloon offers large, panoramic windows, an L-shaped lounge to port and a 2-person settee to starboard with an option to add an interior navigation station. The flow is seamless with access to foredeck through the forward saloon door.

The galley is outfitted with a domestic-sized refrigerator/freezer, Staron® worktop surfaces, 4-burner stove, microwave oven, sink and faucet, and ample amounts of storage.

The flybridge provides a well-thought-out helm station with great visibility. Spacious seating and a large table allow for a great place to entertain family and friends and enjoy a meal with spectacular views.

Discover cruising pleasure, amplified

Saloon/Galley

When you step into the expansive saloon the first thing you will notice is the use of large windows to merge the outside with the interior giving the feeling of a large airy space suited for entertaining. The open galley layout makes for easy maneuverability from the galley to the saloon.
