**Ready for immediate purchase, scheduled to arrive in San Diego in March 2024!**

The All-New 260DC-X goes beyond optimizing - it revolutionizes the use of space, storage, comfort features, and boating experience for a truly innovative World Cat 26-foot dual console. Innovations include a swivel 45 QT cooler seat with cushion that stows in a locked position under the captain's helm seat, while also swinging out for a convenient and comfortable starboard side-seat. Designed for either a day of fishing or a family day of cruising, the 260DC-X is the newest versatile World Cat dual console model.
