Manufacturer Provided Description

The look of the Chaparral Signature 320 is clean, the styling is innovative, and the technology is cutting edge. Topside, the design rivals the 350 when it comes to space and seaworthiness. There isn't a hard edge anywhere in the cockpit and the clever contoured seating arrangement is ideal for cruising or dockside entertaining. Every inch of carpeting onboard is removable for easy cleanup and longer life. Attention to detail extends from a transom shower to an anchor guard.
