Summary/Description

Searching for a yacht that will take you anywhere in comfort and style? This proven modified long keel design features a cut away fore foot for easy maneuverability. Her motion in a seaway is gentle with a nicely balanced helm. One of Bill Crealock's most iconic designs.

Full Specs

OVERVIEW

FLORYN has been optimized for short-handed cruising with furling on all sails, electric Lewmar primary and main sheet winches and a new (2021) Vetus bow thruster. Her interior, in the time proven tradition of Cabo Rico Yachts, is beautifully crafted of native Costa Rican blonde teak. The quality of the interior fit and finish is superior to any of today's production sailboats.

LAYOUT

Starting forward there is a large split chain locker divided port and starboard. Next aft is the owner's stateroom with queen sized centerline berth plus en-suite head with separate shower stall. This stateroom has generous storage areas: the sub-berth, with gas lifting cylinders, opens wide for a cavernous storage area for unusually large objects. Numerous lockers and drawers meet all of the storage needs of long-term liveaboard owners.

The main salon features a large U-shaped settee to port with seating for six around a beautifully inlaid teak table. To starboard is a comfortable armchair finished with ultra-suede, followed aft by the full-function navigation station.

Aft to port, suitably on the axis of motion, is an ergonomically conceived, L-shaped galley with Corian counter tops and deep stainless double sinks on centerline. Refrigeration includes both top and side access. Wet locker and ice maker are at the bottom of the companionway steps. Aft to starboard is the guest stateroom with double berth and joining head and shower. Trash compactor to port of double sink. GE microwave above refrigerator.
