The Island Packet 370 is the result of decades of Island Packet design refinement and evolution. It combines innovative and proven features with all the exemplary construction qualities that have made Island Packet yachts respected and admired around the world. A host of exclusive design features, including our self tending staysail, geared steering system and time honored Full Foil Keel, all combine to provide superior seakeeping and delightful sailing qualities that will be appreciated as much by the weekend sailor as by the couple cruising the world. From the large, comfortable cockpit to the broad anchor platform, there are numerous deck features on the 370 to appreciate. Wide side decks, strategically placed hand rails and recessed foredecks maximize your feeling of confidence and safety on deck.

Constant refinement of build processes have made Island Packet Yachts the international benchmark for excellence in cruising sailboats. Unmatched safety and seakeeping, together with a versatile and easily managed rig, exceptional comfort and livability, spirited sailing performance, superb build quality and award-winning customer satisfaction have made Island Packet the first choice for the cruising lifestyle.
