Skylark is a Downeast style boat ... a custom build from Eastern Boats that has been meticulously maintained from new Two Owners and only Fresh Water Used for first Four Years including Heated Winter Storage. This proven hull is a Royal Lowell design, originating as the 31 JC, she features a semi-

Skylark is a Downeast style boat ... a custom build from Eastern Boats that has been meticulously maintained from new Two Owners and only Fresh Water Used for first Four Years including Heated Winter Storage.

This proven hull is a Royal Lowell design, originating as the 31 JC, she features a semi-displacement hull with beautiful sheer, hard chines, and prop-protecting keel giving her excellent speed, efficiency and stability both underway and at rest Over 400 of these boats have been built....used in charter operation and for recreational fishing and family cruising (potential for New England and the Bahamas cruising).

Cabin accommodation includes a forward V-berth, enclosed head and shower, teak and ash (holly) sole and a hanging locker. The pilothouse offers a comfortable helm and companion seats, a settee/dinette that converts to a double bunk And a galley with two burner stove/oven, countertop, sink and refrigerator. Center windscreen opens for ventilation. The roomy cockpit is large enough for entertaining, diving or fishing activities. Extensive options include heating/air conditioning, a 3.5 kW genset, a molded transom platform as well as electric/electronics as detailed.

Skylark is powered by a single 380 hp Cummins, cruising comfortably at 17 knots at 2 mpg.

COME TAKE A LOOK TODAY AND BE ON THE WATER NEXT WEEKEND!

Accommodations

Overnight accommodations for 4 adults in the V-Berth and Convertible Settee.

Head Compartment with Hot/Cold Shower

Vacuflush Head

Solar Vent For Head Compartment

- Lewmar 12V anchor windlass w Delta 22 lb. anchor on pulpit with 20' 1/4" chain and 200' 1/2" line
- Stainless steel rudder
- Bilge pumps (2)
- Dometic 16,000 Btu reverse cycle heating and air conditioning
- 130 amp alternator on engine
- 30 Amp Shore power w/cords
- 110V receptacles (4)
- Stainless Steel Swim Ladder - Folding
- Large Fiberglass Swim Platform
- Teak Handrails along roof line with sunbrella covers
- Fore and Aft Washdowns hose bibs
- Rod Holders under gunwales
- LED Lights under gunwales
- Custom Aluminum Mast on Hardtop - houses Radar Scanner, Antennas, Lights and Hailer speaker
- Single Cummins QSB 6.7L (380 HP) Diesel engine 175 Hours

Electrical/Electronics

- 2- 8D batteries (2020)
- Newmar 2000TQ-12 inverter/charger
- Newmar DCE energy monitor
- BI 200 battery integrator
- 12V USB & std charging ports (3 each)
- Dual Stainless Steel trumpet horn - Roof mounted
- Floodlight on mast
- Underwater Lights
- All lighting is LED
- 3.5 KW NEXT GEN Diesel Generator with sound shield - 36 hours

ELECTRONICS

- ICOM M506 DSC marine radio
- Furuno GP1971F 9" chart plotter/fish finder (2019)
- Bronze through-hull multisensory transducer (depth/speed/temperature)
- Furuno 1815 8.4" color radar w/19" radome
- Furuno RD33 data organizer
- Simrad autopilot (AP-44)
- Furuno 220WX weather station
- Standard Horizon VLH-3000A hailer w/PA horn - full NMEA 2000 installation
- Blue Sea ELCI (2022) Newmar GI 30 galvanic isolator(2022)
- CO monitor (2022)
