Summary/Description

This 2018 Cobalt 220S has been well maintained and trailer kept. Powered by a Volvo Penta 280 V6 Duo-Prop w/less than 75 hrs and recent exhaust system maintenance, this is a super performer on the water.

This 2018 Cobalt 220S has been well maintained and trailer kept. Powered by a Volvo Penta 280 V6 Duo-Prop w/less than 75 hrs and recent exhaust system maintenance, this is a super performer on the water. Graphite grey gelcoat, white bottom, seagrass floor covering, and convertible seating for up to 12 people make it a sharp platform for cruising, boarding, and tubing. Here is an opportunity to own a lightly used boat at a major discount to new. This fun boat is a turnkey package with covers and a 2018 Load Rite trailer with new brakes. Don't wait to call!

Descriptions

Manufacturer Provided Description

Come aboard the 220S and experience the comfort and convenience typically found only in far larger boats. Experience a spaciousness that maximizes flexibility in your use of the boat, thanks to free space reclamation, Cobalt's studied maximization of heretofore unused space. The 220S makes idealized use of every square inch of its wide and sturdy stance. The "S" seating layout is key to the easy accommodation of a dozen guests and their gear. The drop-down swim step is Cobalt's game-changing, patented contribution to safety, convenience, and accessibility, making boarding a breeze.

The powerplant of the 220S steps up to the plate. The extended running surface hull design provides powerful hole shot takeoffs, easy and extended zooming, while giving the tight, high-speed turns skiers and boarders want - while affording you some remarkable efficiencies in fuel management. The interior seating configuration combines an oversized, all-in-one cockpit layout with the amazing on-water performance that has become synonymous with Cobalt. Your crew can face forward in the traditional manner, or flip the seat down easily transforming the cockpit into a massive arena-style seating arrangement. The choice is yours.

Helm

- Accessory Power Plug - 12 Volt
- Aluminum Dash Panels
- Composite Helm Eyebrow, Custom Stitching
- Depth & Water/Air Temp Gauge Pkg.
