Summary/Description

2004 Carver 356 Aft Cabin Motor Yacht Looking for a luxurious and comfortable cruiser that can take you on unforgettable adventures? Look no further than this stunning 2004 Carver 356 in excellent shape!

This beautiful yacht is packed with features that will make every voyage a delight. The spacious salon boasts plush seating, elegant decor, and large windows that flood the space with natural light. The galley is fully equipped with everything you need to prepare gourmet meals, including a freezer, refrigerator, stove, and microwave.

The master stateroom is aft, and it features a queen-sized bed with **its own AC, head and shower**. Forward you will find a private stateroom with a forward head and shower.

Outside, the expansive aft salon is perfect for entertaining with hardtop, wing doors, full isinglass enclosure and fridge/freezer. Step up to the flybridge which provides plenty of seating including a **forward bridge lounge** with amazing views. When it's time to take a dip, the molded steps lead down to an extended swim platform which provides easy access to the water. It also includes a large dock box for additional accessories like stern anchor, ropes, and extra fenders. If you want sun, the bow has two lounge pads perfect for catching some rays or just relaxing. There really is a place for everyone on this very well-designed vessel.

Step down to the accommodations deck, and you'll find **two private staterooms**, each with **its own head and shower**. The master stateroom features a queen-sized bed, while the guest stateroom offers two single berths that can be converted into a double.

Outside, the expansive cockpit is perfect for entertaining, with plenty of seating and a wet bar. And when it's time to take a dip, the **large swim platform** provides easy access to the water.

This Carver 356 has a planing hull and is powered by twin 8.1L Volvo Penta engines, which provide 750HP (combined) and reliability for extended cruising at any speed. And with only **790 hours** on the engines, this boat is just getting started!

Overall, this 2004 Carver 356 is an exceptional yacht that has been meticulously maintained and cared for. Whether you're looking for a weekend getaway or a longer journey, this boat is sure to impress. Don't miss out on the opportunity to make it yours today!

This boat has been a freshwater boat its whole life until November 2021! Original owner ordered her from the factory, but then sold her right away for a larger boat. Previous owner had her since 2004 in a covered slip on Lake Monroe in Sanford, FL. Boat bottom has been cleaned monthly, and has dime/quarter size blisters. In May 2022, she cruised from Palm Coast to Marathon, FL for a month. **2023 all new carpet in main salon.** In October 2022 generator carburetor, oil/fuel filter, fuel pump, sparkplugs, water impeller, engine belts, raw water impellers, flybridge bimini canvas, and C120 chartplotter screen were replaced. In April 2022 engine oil & filters, engine sparkplugs, engine fuel filters, all batteries, stateroom carpet, forward shower bilge, aft shower bilge were replaced, all navigation light fixtures were replaced with LED lights, aft salon sink/icemaker was replaced with mini fridge/freezer, rear berth was widened, and mattress was replaced.

Highlights:

- Well-maintained freshwater boat until 2022
- Two A/C units

- Forward stateroom with berth
- Aft stateroom with berth
- Showers located in forward and aft heads
- Convertible dinette
- Convertible salon couch
- Forward facing settee in front of the helm on the flybridge
- All halogen bulbs updated to LED

Engines

- Twin 8.1L Volvo Penta GII-B engines
- Fuel injected V-8 engines
- 375 horsepower each
- 790 engine hours
- Direct drive transmissions
- The Carver 356 aft cabin is powered by twin 8.1L Volvo Penta GII-B engines, which are fuel injected V-8 engines that deliver 375 horsepower each.
- The engines have direct drive transmissions, which provide smooth and efficient power delivery.
- The engines have low hours, with only 790 hours of use, which means they have plenty of life left in them.

Deck

- Large cockpit with seating for 6+
 - Integrated swim platform with ladder
 - Transom door for easy boarding
 - Wide side decks for easy access to bow
 - Anchor windlass with foot controls
 - Remote spotlight
-
- The cockpit of the Carver 356 aft cabin is spacious and has seating for 6 or more people, making it ideal for entertaining or enjoying the view while underway.
 - The integrated swim platform with ladder makes it easy to get in and out of the water, whether for swimming, diving, or fishing.
 - The transom door provides easy access to the cockpit from the swim platform, which is especially convenient for children and elderly guests.
 - The wide side decks of the boat make it easy to move around the deck and access the bow, which is great for sunbathing or enjoying the view.
 - The anchor windlass with foot controls and remote spotlight make anchoring and docking easy and safe, even in low-light conditions.

Interior

- Spacious salon with comfortable seating for 6+

- Large windows with blinds for natural light and privacy
- Entertainment center with TV, DVD player, and stereo system
- Fully equipped galley with refrigerator/freezer, microwave, electric stove, and sink
- Dinette with seating for 4
- Master stateroom aft with queen-sized bed and en-suite head and shower
- Guest stateroom forward with two single berths that convert to a double and en-suite head and shower
-
- The salon of the Carver 356 aft cabin is spacious and comfortable, with ample seating for 6 or more people.
- The large windows with blinds provide plenty of natural light and privacy when needed.
- The entertainment center with TV, DVD player, and stereo system is perfect for relaxing after a day of boating.
- The fully equipped galley has a refrigerator/freezer, microwave, electric stove, and sink, which make meal preparation and storage easy and convenient.
- The dinette with seating for 4 is perfect for meals or playing games with family and friends.
- The master stateroom aft has a queen-sized bed and en-suite head and shower, which provides privacy and comfort for the owners.
- The guest stateroom forward has two single berths that convert to a double and en-suite head and shower, which makes it perfect for guests or children.

Other Features

- Air conditioning and heating system
 - Kohler generator
 - Battery charger
 - Hydraulic trim tabs
 - Fire suppression system
 - Carbon monoxide detectors
 - Water heater
 - Holding tank monitor
 - Freshwater washdown
 - VacuFlush toilets
-
- The two-unit air conditioning and heating system ensures comfortable temperatures in the salon and staterooms, regardless of the outside temperature.
 - The Kohler generator provides backup power for the boat, which is especially important when cruising in remote areas or during power outages.
 - The battery charger keeps the boat's batteries fully charged, which ensures reliable power for the onboard systems.
 - The hydraulic trim tabs provide precise control of the boat's attitude and help to optimize fuel efficiency.
 - The fire suppression system and carbon monoxide detectors provide added safety for the crew and guests.
 - The water heater provides hot water for showers and other onboard needs.
 - The holding tank monitor keeps track of the level of waste in the holding tank, which makes it easy to determine when to empty the holding tank.
