## Summary/Description

The W11 is tailored to meet the needs of boaters who want to make the most of their weekends and short trips. Whether you're looking to entertain guests or spend time with family, the W11 has you covered.

The W11 is built with functional Scandinavian design as a core element, in true Nimbus tradition, executed with care to ensure the best comfort and experience for the user. It also features the award-winning Nimbus sidewalk design which provides ample interior space and easy and safe movement on the deck. However, the boat's heart is found in its lounge area. This is an extra vast and multifunctional socializing space that can be easily adapted depending on activities such as cruising, sunbathing, swimming, entertaining, lunch and dinner or a quiet afternoon of reading in the shade.

The W11 is tailored to meet the needs of boaters who want to make the most of their weekends and short trips. Whether you're looking to entertain guests or spend time with family, the W11 has you covered.
