Engine 1

Mercury
Verado V8-300 XL
Outboard
300HP
223.71KW
Fuel: Gas/Petrol
Year: 2023
Serial #: 3B371362

Summary/Description

ARRIVES 1ST WEEK OF MARCH - The Nimbus T8, or Tender 8, is the newest model to the popular WTC series that has taken the world of day boating by storm.

Modern in appearance, flexible in its capabilities, and constructed with the same dedication to safety as her Swedish-built siblings, the Nimbus T8 can be owned as a tender to a luxury motor yacht or as your versatile everyday boat. Seattle Yachts is the Nimbus Boats dealer for Florida, California, Washington and other territories on the east and west coast. Please Contact Us today or search all available Nimbus Boats in-stock with us.

The Nimbus T8 was specifically designed for day-to-day social activities, transportation, water sports, and relaxation. It is based on a newly developed air-lubricated stepped hull with excellent seafaring qualities and a low planning threshold. The T8 has a cruising speed of between 20-35 knots, with a maximum speed in excess of 40 knots.

"The T8 provides stable, safe and quiet performance, which makes it easy to operate the boat at high speed, even in poor weather conditions. The construction quality and excellent seaworthiness and handling, combined with superior speed resources, invite a more active style of driving that still feels safe and secure, even when really putting the T8 through its paces", says Joacim Gustavsson, Chief Designer at Nimbus.

ADDITIONAL EQUIPMENT & DETAILS
