Summary/Description

WORKING REMOTELY is an impeccable 450 Sundancer that will not last long. You will not find a cleaner 2010 45' Sundancer on the market today. Upgraded with all the right options including the QSB 380 HP Cummins diesels with Zeus Pods and only 2,380 hours, serviced March 2023.

WORKING REMOTELY is an impeccable 450 Sundancer that will not last long. You will not find a cleaner 2010 45' Sundancer on the market today. Upgraded with all the right options including the QSB 380 HP Cummins diesels with Zeus Pods and only 2,380 hours, serviced March 2023.

Aesthetically, the 450 carries forward the cutting-edge design cues created in the latest Sundancer generation - including crisp, clean lines and an enclosed bridge with a large, retractable sunroof while also incorporating all the key features that have taken our express cruisers to the next level.
