Summary/Description

Permanent Waves 2004 Chaparral 310 Signature has a unique and striking look, excellent use of cabin space and is a great bargain for anyone in the market for a fast luxury sort Cruiser under 40'

PRICE REDUCED!

Permanent Waves is a well cared for 2004 Chaparral 310 Sport Cruiser in above average condition out side and very good condition inside. **The engines and generator were replaced in 2015.** She is one in the line of WideTech speedboats which Chaparral has been developing for nearly a decade. This design capitalizes on forward space yet maintains a sporty tri-point look at the bow.

Permanent Waves features a spacious foredeck with sun-pad and a large comfortable cockpit and lounge area with refrigerator and wet bar outside and all the comforts of home below decks. Including 5kw Kohler generator, 16,000 BTU HVAC system, Fusion Stereo system, 24" Visio Smart TV, Kitchenette style Galley, 2 U-shaped convertible sofa/dinettes, a queen size berth forward and enclosed head/shower.

For operating convenience, the helm is equipped with smoothly operating throttle/shift controls and is complete with full instrumentation that give a variety of information. Permanent Waves offers great access to the engines by way of power-lift hatch. Spark plugs and filters of both are easily accessible and the sea strainers are comfortably reachable, even with the optional genset.

Please see more details below, including full descriptions, photos, video and 360 images. Permanent Waves is available to see by appointment in downtown Wilmington North Carolina, near the airport. All written offers will be considered.

Vessel Walkthrough

Boarding Permanent Waves, from a floating dock is easiest by way of the large swim-platform at the stern. Molded steps to port and starboard make boarding from a fixed dock easy from either side. There is storage in the transom for fenders and docklines. The shore power connections are inside protected from the elements. Just aft of the Stern gate there is a retractable shower with hot and cold freshwater. Just inside the gate on the port side the main DC electrical panel is in watertight cabinet. Next that is a very functional wet-bar with small basin and mini-fridge. To starboard is a convertible settee. Forward on the port side is a comfortable lounge and the helm is to starboard with 2 large convertible helm seats. The controls, switches and gauges are well organized and easy to read or operate. there are molded steps next to the helm for passage forward to the foredeck which has a large sun-pad in very good shape. At the bow There is stainless remote control search-light on the rail above the anchor locker. The Delta style anchor is on a good sized roller and can be raised or lowered with the windlass, which is housed out of the way in the anchor locker.

The large companion way with sliding door is easy to navigate. Three steps down there is a large U-shape convertible settee to starboard and a kitchenet style galley to port just forward of the enclosed head and shower. The large berth forward is set diagonally for best use of space. Aft of the main salon is another U-shape convertible settee. The interior has lots of luxurious beautifully finished wood and in excellent condition.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
