Manufacturer Description

The NC 1095 meets its challenge, featuring an outboard engine aboard a 10-metre powerboat, and delivering performance, reliability, stable cruising, exceptional seakeeping, and ease of handling. With top speeds at 37 knots for those who love sensations of speed, this model features great maneuverability, even at lower speeds. Offering versatility, a rich selection of equipment and a clever layout, which has made the line a success, this large model also affords remarkable volume and even greater comfort.

Three cabins are available, each with large windows in the hull, and notably, the generous owner's cabin is equipped with copious storage. The vast saloon converts in just a few seconds into an additional double berth. The very practical galley features a burner and a sink with a countertop, enabling you to enjoy dining on board. From the bright, well-ventilated wheelhouse, you are just a few easy steps away from the vast cockpit saloon and the promise of exceptional moments in dream locations. The NC 1095 is a boat de-signed for sharing the pleasures of life on the water.
