## Summary/Description

### 2022 Supreme ZS212

The Supreme ZS212 is a 21'2" boat that embodies everything that defines a high performance wake boat. The boat is incredibly strong and well built due to its unibody construction. The technologically advanced hull which has a Z shaped sheer line and tapered V hull, combined with the plug & play ballast and quick surf system provides the user with almost unlimited ride options to provide an unmatched wake and ride. All of the onboard amenities and design, add up to fantastic performing and undoubtedly an unforgettable experience on the water.

This boat is in excellent condition from the inside out and top to bottom. She has barely 153 hours on the Crusader PCM engine. The aesthetics are unmatched. The included custom matching trailer is in excellent condition and really ties together with the boat making for an eye popping stand out rig. The only thing missing is the family to enjoy it.

## Manufacturer Provided Description

It's called the ZS212, but internally this 21-foot 2-inch boat is known as one of our Zeus boats. Named for the Z-shaped sheer line, we call them Zeus because you will feel like you are master of Worlds when you launch off the powerful surf wave or wakeboard wakes of the Tapered-V hull. With extra strength from our Vacuum Infusion and Unibody Construction, and powered by GM Marine, this boat embodies the mythical trinity of surf, strength and spirit.

## Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
