Engines/Generators

Generator 1

Onan

Summary/Description

Just completed MAJOR engine services, including annual service on main engines, transmission and generator. Replacement of aftercooler cores, transmission and fuel coolers. Removal, cleaning & bench testing of heat exchangers. Replaced raw water pumps on main engines and generator.

With her nearly 16' beam, the Albemarle 41 is a fishing battlewagon, with unmistakable lines and high quality construction.

This well maintained vessel is loaded with recent upgrades in 2022 including:

- Dual Garmin 8616
- Fantom 54 open array
- Reactor 40 autopilot
- B75m transducer
- Isinglass
- Helm seating & settee vinyl
- Cockpit vinyl

In addition to these recent upgrades, she had a bottom job in May 2022 and new cockpit freezer in 2021.

With her oversized cockpit, she offers immense fishing space. The raised bridge/helm deck provides a centerline helm with wraparound settees.

Her forward stateroom accommodates 2 and adjustable Hi/Lo table converts to sleep 2 for total of 4.

Powered by C12 Cat engines - with 2,590 hours - she cruises around 26 knots and WOT of 34 knots.

Additional Notable Features:

- Pull-Out Dual Refrigerator Drawers
- Onan 9kw Generator
- Standup livewell (56g)
- 50a shorepower w/ Cablemaster
- JL Stereo w/ Fusion head unit
- En Suite head w/ shower

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the

responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
