Summary/Description

Step aboard the Aicon Vivere 66, and you'll immediately realize you're entering a world of unparalleled sophistication and innovation. This remarkable vessel transcends the boundaries of its market class, boasting features and a level of redundancy typically reserved for much larger yachts.

4 Stateroom Layout

Introducing the Aicon Vivere 66' 2024 - a truly remarkable vessel in a league of its own. This custom-designed masterpiece redefines luxury and performance, offering features typically reserved for much larger yachts and an unprecedented level of redundancy in its market class.

Unparalleled in its elegance, the Aicon 66 boasts four spacious staterooms and, quite uniquely, three heads to ensure ultimate convenience and privacy. What sets this Aicon apart is its exceptional customization options, where your every desire and taste are meticulously catered to, utilizing the finest materials sourced directly from the storied mountains of Italy.

But the excellence doesn't stop there. When you become the proud owner of an Aicon, you gain access to a world of unrivaled benefits. Our factory-direct boutique representatives are at your service, ready to provide a truly personalized experience. As an Aicon owner, you'll also have the privilege of joining the exclusive AICON members-only club, opening the door to a realm of prestige and privileges.

At Aicon, we understand that purchasing a yacht is a significant decision. That's why we invite you to experience the Aicon 66 for yourself. We are currently accepting deposits, subject to a personal inspection, survey, and sea trial to ensure that this magnificent vessel aligns perfectly with your expectations.

For those looking to explore trade-in options, we welcome and encourage it. Your journey to the Aicon 66 may be closer than you think.

Under the hood, this extraordinary vessel is powered by MAN V8 engines, delivering a breathtaking 1300 horsepower, ensuring an exceptional and reliable performance. The mechanical design incorporates an inboard straight-line shaft and props, optimized for shallow draft, high efficiency, and minimal vibration.

The Aicon 66's hull design is a masterpiece in itself, boasting a deep V with a sharp forward entry and a subtle Carolina Sport Fish Flare. Attention to detail has been paramount in creating a soft entry for a dry and comfortable ride.

Here are some key specifications for the Aicon Vivere 66' 2024:

- Length Overall (LOA): 70 feet 6 inches
- Beam: 17 feet 4 inches
- Draft: 4 feet 11 inches
- Staterooms: 4
- Heads: 3

One of the standout features of this vessel is its state-of-the-art gyro stabilization system, ensuring a smooth and stable ride in all conditions.

The Aicon 66 "Vivere" is truly unique in its class. Designed by the renowned Sergio Cutolo, it incorporates features typically only found in mega yachts. The addition of a skylight on the flybridge bathes the salon in natural light, creating

a warm and inviting atmosphere. Furthermore, the iconic Aicon circular hull window has been expanded to a staggering 1.5 meters (4 feet 6 inches), offering breathtaking panoramic views and a connection with the ocean and the great outdoors while you relax in the lap of luxury.

The interior is a masterpiece of design, meticulously customized to maximize comfort while complementing the vessel's striking exterior. With the Aicon 66 "Vivere," you're not just owning a yacht; you're embarking on a new era of yachting luxury and exclusivity. It's time to make your dreams come true with the Aicon Vivere 66' 2024.
